Bob - sorry, I'm playing catch-up after getting back from vacation. Initial take by ops is we may need to identify a new site with the timing shift. They're reviewing drilling and frac schedules. Will get back with you on a date(s) to plan on site visit.

After talking with our QA mgr I think we need to push back completion of the QAPP by 1 month (they are requiring outside review by independent party) to Aug 1

any chance we could do an onsite visit to LA week of May 16 ?

Subject: Info Request

Bob,

As you requested in our meeting this morning, here is a list of information we would appreciate to better assist the EPA during the study planning process.

1. EPA QAPP Guidance Document and/or QAPP Example
2. EPA Confidential Business Information Policy/Practice
3. A list of expected analytics to be performed
4. Electronic copy of the "Information needs for the CHK Haynesville QAPP"

I appreciate your help.

Thank you,
Chris Hill
